It's that time of year again! It's time to start practicing for High Quiz. Our first practice will be this Wednesday during 2nd hour. Participants should report to 2nd hour class for attendance and then go to the IMC. If interested, talk to Mrs. Kuenzi for more information or come to the IMC 2nd hour on Wednesday.

FCA is meeting this Friday morning at 7:15 am in **Mr. Hansen's room.**

Mr. Potratz 2nd hour sophomore phy ed class should bring a dollar to class with them **TODAY!**

Just a reminder FFA members that fruit order forms are due **TODAY!**

Fishing Club meeting during ELT **TODAY** in Mr. Scherwinski's Rm 213. All students on the classroom roster will be requested.

FCCLA officers please stop in Ms. Wilson's room for a brief meeting during lunch **TODAY!**

Gamers Club will meet **TOMORROW** after school in Mr. Scherwinski's Rm.

The FFA has recently started a project called "Giving for a Cause". The FFA and Weyauwega School District is asking for your help. As of November 15th the FFA will be collecting toys, gift cards, and money to help fill up the toy closets at the Milwaukee Children's Hospital. The items collected will all be given to children from the ages of newborn to 18 who are sick and in the hospital over the holidays. If you are interested in buying a toy, gift card, or donating money please have your items given to Mrs. Dykes in the Ag room **by Monday December 4th**. All toys and gift cards **MUST** be bought **NOT** used. If you would like to donate money that is perfectly fine. The money will be used to buy more toys. Once all items are collected they will be given to Ashley Crist who will then take the items to the Children's Hospital. Thank you for all your

support and help. Let's make a difference and fill up those toy closets. If you have any questions please feel free to talk to Mrs. Dykes or Abby Wheaton.

Interested in earning money and school credit during the school day? AgroPur and Blenker Construction will have internships and Youth Apprentice positions starting second semester. AgroPur will be in the maintenance department as well as the lab, and Blenker Construction will be building pre-fab homes in a factory setting. These opportunities are great resume builders, a valuable learning experiences, and can potentially lead to a career. See Ms. Peterson during lunch for more information.

HAVE A GREAT DAY!
