

## **HIGH SCHOOL DAILY ANNOUNCEMENTS**

**MONDAY JANUARY 6TH, 2020**

6pm Friday January 3rd 2020 the freshman boys' basketball team gave a memorable effort in a great matchup vs. the Bowler Panthers. W-F gave up some easy baskets and open three point shots in the first half and trailed by seven 16-23 at the break. The Panthers opened the second half on fire and the Indians trailed by as many as twelve points before making a charge. Nick Huebner had a great performance containing the Panthers best player in the second half as well as going six for six from the free throw line. This was an excellent team effort with all contributing with great passes and solid defense. All players for the Indians tallied in the scoring column but no basket was bigger than Garrett Doede's three point shot that gave the Indians the lead late in the game. Nick Huebner made his final two throws from the charity stripe to seal the game for a 46-42 Indians victory.
