Let's help to raise food and monetary donations to donate to our local food pantries.

Our rural communities are growing the crops that are feeding a hungry world, that doesn't mean there isn't hungry right here-the family next door, the neighbor down the street. We may not know who in our communities are going hungry, but through our Harvest for Hunger campaign, we are helping local food shelves feed those people in need. You can start bringing in your canned items **TODAY** and put them in the box outside the high school office!

Attention FFA members! Sunday is the FFA Alumni Chili dinner at the Community Center. We need FFA members to bring bake sale items for the chili dinner. Please bring them to the Ag Room this Friday or to the community center Sunday from 10:30-1pm.
