Kathy Bresnehan is the author of the book *Miracle Season* which is based off of her team's experience after losing one of their star players to a tragic accident. Her book was also made into a movie in 2018 starring Helen Hunt. Coach Brez, as she is affectionately known, brings her personal narrative of how her school, community, and her team worked together for a greater purpose in an effort to honor the legacy of Caroline - a young woman, who smiled large, gave huge hugs, played with passion, and embraced everyone! A young woman, who in death, taught them how to be kind and Live Like Line. Middle school students will attend the presentation from 1:30-2:30 and High School students will attend the presentation from 12:15-1:15. Remember, if you can be anything, be kind.

Just a reminder if you do not get your product or lose your money in the vending machine please see Mr. Fee and he will take care of it!
