

HIGH SCHOOL DAILY ANNOUNCEMENTS

TUESDAY NOVEMBER 26TH, 2019

Please make every effort to attend the High Quiz practice today during third hour. Report to your third hour class for attendance and then report to the forum room for practice.

Today you'll notice some of our staff wearing apparel from colleges or schools they may have attended or know someone that attended there- after graduating from high school. These are just some of the many possibilities that you may pursue after high school. Talk to those staff members and find out what you need to do to be able to have endless possibilities like those.

If anyone needs volunteer hours, the giving tree in Fremont needs a handful of students to walk in the parade on Saturday, November 30th to hand out flyers. Please see Ms. P if you're interested.
