DRESS CODE

The school recognizes that a student's individual dress is primarily a parental responsibility, which should reflect concern for the health and safety of the students and others, and to school property.

When the dress of an individual student constitutes a health/safety problem, seems to be unsuitable for school wear, is a physical danger to any person, or when the student's manner of dress or grooming causes a disruption or disturbance, the principal or designee shall take appropriate action to correct the situation.

For the purpose of this policy, the dress code is in effect when students are present at school or school related functions.

With these thoughts in mind, the School District of Weyauwega-Fremont has adopted the following dress code:

1. Students are to dress neatly, Appropriate shoes are necessary.
2. Bare midriff, spaghetti strap tops, halter tops, see-through or sheer tops are not permitted.
3. Wearing apparel and hairstyles should not be contrary to any health and safety considerations.
4. Any displays of provocative words, suggestion, or promotion of alcohol, tobacco, or other drugs, (on T-shirts, etc.) are not acceptable in school functions.
5. All students will refrain from wearing any headgear in school unless approved by the administration. Caps are to be kept in lockers.
6. No outside coats/jackets will be worn except as approved by school personnel.
7. Backpacks, book bags, duffel bags, and/or other such baggage are not to be taken into the classroom.
8. Pants should be worn in a manner such that no undergarments are visible.
9. Excessively short skirts, shorts and low cut tops will necessitate a change in clothes.

If in the judgment of the administration or designee the appearance of a student is distracting to the educational process, the student will be required to change into acceptable dress, be sent home for the remainder of the day, or remain in a designated area.
